Our aim is to brighten the lives of all seriously ill and hospitalised children, and their families throughout Australia.

Celebration Donations

Are you celebrating a special occasion like a birthday, wedding or anniversary? Mark your event by doing something different and raise money for Starlight Children's Foundation.

More and more people are choosing to raise money for charity by asking guests to their special occasions to donate to charity in lieu of gifts. Did you know you can fundraise online and even create your own personal fundraising page through Everyday Hero? Starlight Children's Foundation even has downloadable invitations to send out to your guests.

Online fundraising for your special occasion is fun, effective and easy for you and your guests. Within minutes you can build your own personal fundraising page and send it out! There are no forms to fill in, no money to collect and no hassles. Your guests can donate in lieu of a gift to Starlight directly through your Everyday Hero page.
